

SAL HLV m v Maria called at Cochin Port

MUMBAI : It was indeed a Merry Christmas when SAL HLV mv Maria called Cochin Port on 24th December 2014 to discharge the first of the 2 x 338 metric tonnes HDS reactors for BPCL Kochi refinery expansion. Each reactor measured 36.85 x 5.35 x 5.20m.

As always, the cargo was very efficiently discharged by the SAL Crew. Co-operation and assistance was

received from all quarters including Charterers Yusen Logistics, Receivers BPCL, Barge Operator Urmila & Co and Cochin Port authorities.

SAI Maritime & Management Pvt Ltd are General agents in India for **SAL Heavy Lift GmbH** for almost 3 decades and are regularly handling project cargoes for Refineries, Petrochemical projects, Power plants, handling & Mining equipment, offshore projects, etc.
